YMCA GOLF OUTING

On June 2, the YMCA held their Annual Golf Outing to help raise money for our Annual Campaign. This year, we had 16 teams that participated in our Annual YMCA Golf Classic! We also had 45 hole sponsors and more than 30 silent auction items. Altogether \$9,752.07 was raised to help families participate in Y programming that may not otherwise be able to participate. Thank you again to all our participants and sponsors for helping us have such a wonderful event this year!

TREE CITY ROLLING TOUR RECAP

June 25, 2022 marked our 13th Annual Tree City Rolling Tour & Century Ride, which starts and ends at our beautiful Courthouse. This year's race was a little lower in attendance than previous races, only hosting 180 riders this year, but everyone still enjoyed a beautiful ride. Depending on the distance chosen, riders were able to ride around beautiful Lake Santee or ride through scenic Enochsburg and Hamburg areas or even out to explore Westport, like our 100 mile bike riders did, leaving before 7:00 am race morning! Refreshments were placed every eight to 15 miles along each route for riders to get off of their bikes, stretch, use rest rooms if needed and grab a quick snack. After finishing up their rides, riders were welcomed back to the Courthouse Square for a wonderful meal and live music, provided by the "Hippy Fingers" band. All the riders complimented the food, music and wonderful sag (refreshment) stops, and friendly volunteers. We look forward to seeing all of the riders and lots of new-comers next year. Deena Hamer, Ride Coordinator, said, "I would like to thank all of our sponsors and volunteers again this year. There are so many to list and we simply could not pull this event off without each and everyone. Visit our web site to see our the many volunteers and sponsors listed there. We look forward to seeing everyone next year!"

2022 SUMMER CAMP WRAP UP

That's a wrap on Summer Camp 2022! We had 75 registered campers this year but usually averaged about 55 a week in total.. Our campers brought excitement, curiosity and creativity to camp each day.

We did a lot of activities this year to keep the kids busy. A few of the memorable highlights were our trip to Cera Land to Versailles State Park to go hiking. We also had a "Spa and Sundae Day" from the Greensburg Public Library along with a "Sports and Sundae Day" but the highlight of camp was our end of summer water day which included outside water games, a water slide and sno-cones!

"Over the last couple of years, our campers have been complete troopers dealing with everything going on, said Donna Dykes, Child Care Director. "It was nice to allow the campers to get away from the YMCA for a couple of special trips this year," added Donna.

33RD ANNUAL CORPORATE CHALLENGE

The Decatur County Memorial Hospital, Delta Faucet, First Financial Bank, Honda- Civic, Honda- CRV, Valeo and the YMCA all vied for the coveted Corporate Challenge Crown over the course of four days August 8th, 9th, 11th and 13th. The events ranged in scale from Euchre and Bowling to Trivia and Punt, Pass Kick events. We can't wait to find out who will bring home the coveted Trophy this year and thank you to everyone who participated and volunteered in this year's event to help make it such a success!

YEAR-END GIFTS make a difference

It is crazy to think we are already talking about year-end! A non-profit highly relies on donations to bring affordable memberships, new classes, equipment and even programming to the community.

People make donations for many reasons. One, is to use it as a tax-deductible gift. All gifts to the YMCA are tax-deductible. Another reason is to bring specific programming or equipment to the Y. As a non-profit the Y doesn't always have the financial resources to add new equipment or finance upgrades. Sometimes a generous donor will help fill that financial void to make those things happen. And yet a third reason is to continue changing lives. We see and hear all the time testimonies from our members on how financial assistance allowed their children to attend preschool or how a membership gave them someplace to rehab after surgery or how the blood pressure program taught them how to better monitor and adjust their daily lifestyle enabling them to either reduce or quit the blood pressure medications they were on. Help sustain our cause so we can meet your needs for another century—or MORE! Donate online, send a check to the YMCA, or come see us today!

Every donation changes lives.
