

Annual Campaign Scholarship Program

At the YMCA, one of our most important goals has always been to enrich the lives of the kids in our community, but when some are left out, it leaves us all a bit poorer. As a person with vested interest in the future of our community, you can help these kids grow into responsible and successful adults. YMCA activities help children develop valuable skills, gain confidence and build self-esteem. By riding with us, you are contributing to the YMCA's **Annual Campaign**, which helps us teach these young people important values such as **caring, honesty, respect** and **responsibility**.

We live in an age where many households are headed by single parents or a home where both parents need to work full time. Many struggle to make a life for their families. Your registration goes to those families who need help. Thank you for supporting the mission of the YMCA and the children who need us most.
